
The holy Quran (verses 96-114) is called Surah Yaseen. This surah deals with how Allah dealt with the people of old in the story of the Flood, which is mentioned in two other pivotal chapters of The Quran; Surah Al-Qasas and Surah At-Takwir. It has 12 verses in total, each verse separately dealing with one topic related to this story. I present below a list of 37 websites that can help you learn about this surah, including its meanings and what The Quran says about it:
